

SHELTON

Three Sided

Available 1800mm or 2400mm deep, with back wall to support a flat screen TV and conceal the cables. This booth will shortly be available with a glass front and hinged door with ventilation.

Three Sided with Flanked Walls

Available in any depth up to 3000mm deep. This product will also be available shortly with a hinged glass door.

Open Ended

1800mm (d) x 2200mm (w) x 1900mm head height, to seat 4 to 6 people. Available with dimmable lighting and laminated table and support pedestals.

Open Ended with Flanked Walls

Up to 3000mm deep with four flank walls. The seats are web-sprung with angled backs for additional comfort. Both the seats and shell can be finished in up to three colour-ways of the same range of fabrics.
